Welch, Francis X.: In the Nation's Capital: Inquiries from field of Taft-Hartley Act prompts further analysis of legislation by Mr. Welch. . . . FCC offers to begin trial divisional operations, provided for in pending White Bill, on Oct. 1, July 5, p. 16; review of enacted and proposed federal legislation of interest to the telephone industry given by Mr. Welch. . . . New Jersey anti-utility strike law must be tried in state courts before it is brought before federal courts, July 19, p. 13; plan to send television program over telephone wires would upset policy of telephone industry barring foreign attachments. . . . New England governors plan action on rate increases, July 26, p. 19.
FCC plan for divisional organization outlined. . . . Ohio commission chairman urges state commissions to recognize acuteness of financial needs of telephone companies and recommends that prompt and expeditious handling of rate adjustments be effected, Aug. 2, p. 15; labor unions' attempts to evade Taft-Hartley Act by ignoring NLRB puts CIO American Union of Telephone Workers on spot to prove itself bargaining agent of AT&T Long Lines Division. . . . Beirne advocates lower profits for telephone industry, Aug. 9, p. 12; government loses special telegraph rates as result of Post Roads Act repeal. FCC position concerning intrastate regulation now similar to that occupied in telephone matters . . . private term loans recommended for Independent financing, Aug. 16, p. 16; wholesale turnover in FCC membership rumored . . . Denny, Durr and Jett involved. Boss Crump of Tennessee levels blast at telephone industry in opposing rate increase for Southern Bell, Aug. 23, p. 12; Bell System's record 354 million security issue has Wall Street experts scratching their heads. . . . Ponder why AT&T selected this time to float debentures. Truman's announcement of a treasury surplus next year weakens opposition to repeal of excise taxes, Aug. 30, p. 17.
Soundscriber Corp., manufacturer of voice recorders, asks FCC to permit recordings of telephone conversations until commission issues final order. Commonwealth Telephone Co. to test Wisconsin Two Rivers order in court. . . . Legal experts in other areas studying new rate theory expounded in order, Sept. 13, p. 24; special session of Congress may revive new minimum wage law. . . . Both parties likely to cater to labor vote in 1948. Higher wages lead to increased prices in general lines, Sept. 20, p. 18.
Utilities must sell the people on the need for higher rates . . . convincing commissions of need is not enough for any company that neglects to sell its own customers is heading for some hard times, Oct. 11, p. 18; Denny resigns as FCC chairman to accept position with National Broadcasting Co. . . . Washington rumor is FCC will be reorganized by Republican sponsored "ripper bill," Oct. 18, p. 13; special session of Congress of interest to telephone industry. . . . Truman's plan to help Europe and to halt rising prices might mean return of federal control boards. . . . Beirne goes out for 75-cent wage minimum and reduction of telephone exchange exemption in Wage-Hour Bill, Nov. 1, p. 13; possibility House Sub-Committee will recommend minimum wage increase, cut in small companies' operators' wage exemption to "take curse off the Taft-Hartley Act" for Labor. . . . *Congressional Quarterly Log* reveals high price of lobbying, Nov. 8, p. 9; Walker's appointment as FCC acting chairman discussed. Democrats retrieve some of the popular vote in recent elections. Communication Workers of America comply with Anti-Communist provision of Taft-Hartley Act, Nov. 15, p. 13; an eyeview into the 1950-60 decade by 20th Century Fund reveals a new high in production of motor cars, dwelling units and home services to swell the demand for telephones. Two big "ifs" are: (1) No major war; (2) no depression, Nov. 22, p. 13; President Truman's 10-point program concerning the Marshall Plan and our domestic economy analyzed. . . . Thoughts of the various blocs in Congress about the proposed foreign aid program summarized, Nov. 29, p. 22; FCC approves order giving conditions under which recorders may be used in connection with telephone conversations. . . . Rhode Island legislators pass law to hold up Bell company rate increases. . . . All utilities watching court appeal on Two Rivers rate case, Dec. 6, p. 11; as aftermath of FCC recorder order, commission requests USITA and Bell System to set forth present or contemplated measures to prevent "listening in" on telephone facilities, apparently including party line telephones, extensions, PBX's, etc., Dec. 13, p. 16; decision of Wisconsin Circuit Court in Two Rivers case brings new peak in regulatory interest . . . court reverses Wisconsin commission's order and lectures it soundly for its departure from fundamental regulatory concepts, Dec. 20, p. 13; Welch makes 10 predictions for 1948 . . . scored 10 out of 11 on 1947 forecasts which is a pretty good batting average, Dec. 27, p. 17.
Independents' role in the last and next 50 years*, Sept. 27, p. 29.
What the Wisconsin case means, Sept. 6, p. 11.
Which way is regulation headed? Oct. 4, p. 9.

Workman, Mayme:
The Operator's Corner, July 5, p. 21; July 12*, p. 26; July 19, p. 21; Aug. 2, p. 22; Aug. 9, p. 19; Aug. 16, p. 20; Aug. 23, p. 17; Aug. 30, p. 28; Sept. 6, p. 18; Sept. 13, p. 26; Sept. 20, p. 24; Oct. 11, p. 23; Nov. 1, p. 16; Nov. 8, p. 23; Nov. 15, p. 17; Nov. 29, p. 34; Dec. 6, p. 15.
Fifty years in traffic*, Sept. 27, p. 62.
Our day of thanksgiving, Nov. 22, p. 36.
There is a Santa Claus!, Dec. 20, p. 24.
